

Product Description

DD760 is a yellow Washi Paper Masking with a folded PE Drop Down Drape

Product Features

- The mask is ultra thin to create very sharp, crisp edging
- Sits flat and so no edge bleed on smooth surfaces
- Very strong so strips without breaking
- PE drape is corona treated & electrostatically charged, so holds to surfaces when unfolded
- Paint remains adhered to tape & drape and does not flake-off when removed
- Excellent thermal stability to 90°C
- Excellent UV stability, up to 30 days outdoors
- Available in two convenient retail formats: 1,800mm x 33m
2,700mm x 17m
Other sizes available Ex Overseas
- Also available in a tough Dispenser under the Code **DD770** the dispenser can be reused by simply buying the **DD760** refill and inserting it

Benefits

- ✓ Gives perfect, straight masked edges on all smooth surfaces
- ✓ Particularly suited for spray painters to minimise over-spray and reduce clean-up time
- ✓ Removes without a residue, for up to 30 days outdoors
- ✓ No bleed through with solvent-heavy paints, reducing clean up
- ✓ Ultra strong so can be used for masking caulking and sealants
- ✓ Can be moved and reused unlike a crepe drop down drape as holds tape shape

Key Markets

- The perfect accessory for tradesmen requiring a quality finish
- Two pack and spray painters
- Auto finishing and low bake overs
- All outdoor applications, particularly for boat builders, marine and DIY
- Renovations for separating or zoning whilst still occupying a building
- Caulkers and sealing applicators (remove when partially cured for best results)

DISCLAIMER:

Values: All values presented have been determined by standard test methods and are average values only.

Recommendations: Whilst we are happy to recommend products from our range for applications, it is imperative that the customer/user complete their own tests to determine suitability for their application under "working conditions" and if longevity is important, that ageing tests be carried out.

Warranty: We can only warranty our products to the level that they are consistent with our Product Information Sheet values

BUT CANNOT accept any responsibility or liability direct or consequential for loss or damage caused as a result of our recommendations.
