

Product Description

PT159 is a premium waterproof Chromakey co-extruded cloth tape with a matte finish and a solvent free rubber resin adhesive system.

Product Features

- A medium thread count rayon cloth with a co-extruded PE backing
- A very smooth and matte finish
- Easy unwind and tear, in both directions
- A natural rubber adhesive for an optimal blend of adhesive and cohesive strength
- Available in Chromakey Green or Blue in widths from 6mm to 1,200mm in 25m length

Benefits

- ✓ Low reflectivity due to the matt surface providing an aesthetic finish
- ✓ Excellent clean-remove characteristics from most surfaces due to the high thread count giving a good keying surface for adhesive Easily hand torn for easy use both laterally and longitudinally
- ✓ The matte finish means it is less prone than gloss tapes for grabbing on synthetic soles of shoes, so less of a trip hazard

Key Markets

- Joining Chromakey backgrounds on film & TV sets and production facilities
- Masking of equipment and props
- For holding cables in the entertainment industry, film & TV — audio/lighting/staging where chromakey technology being used to mask-out background
