- ✓ Magnet offers easy labelling and relabelling perfect for ever-changing stock environments

Key Markets

- Advertising, POS & displays
- Temporary holding of media to steel/ferrous surfaces
- Labelling & signage
- Warehouse racking

Applications

DISCLAIMER:

Values: All values presented have been determined by standard test methods and are average values only.

Recommendations: Whilst we are happy to recommend products from our range for applications, it is imperative that the customer/user complete their own tests to determine suitability for their application under "working conditions" and if longevity is important, that ageing tests be carried out.

Warranty: We can only warranty our products to the level that they are consistent with our Product Information Sheet values

BUT CANNOT accept any responsibility or liability direct or consequential for loss or damage caused as a result of our recommendations.
