

Product Description

SM25 Eco LimeLine Washi Masking is a medium grade Washi masking tape. It consists of a thin, flat, dense paper backing coated with an emulsion acrylic adhesive system.

Product Features

- Thin to create very sharp, crisp edging
- Sits flat and so no edge bleed on smooth surfaces
- Very strong so strips without breaking
- Paint remains adhered to tape and does not flake-off when removed
- Excellent thermal stability to 120°C
- Excellent UV stability, up to 60 days outdoors

Benefits

- ✓ Gives perfect, straight masked edges on all smooth surfaces
- ✓ Versatility – negates need for different products for different applications and using the wrong product on a critical application. Can be used for both interior & exterior applications
- ✓ Removes without a residue, for up to 60 days outdoors
- ✓ No bleed through with solvent-heavy paints, reducing clean up
- ✓ Very strong backing, so can be used for masking caulking and sealants (best removed when partially cured)
- ✓ High visibility – can be used for writing instructions or marking defects for rectification
- ✓ Suitable for use on many delicate finishes N.B. **K740 Heritage Tape** exhibition approved for use on high value venue surfaces

Key Markets

- The perfect accessory for tradesmen requiring a quality finish
- All outdoor applications, particularly for boat builders, marine and DIY
- Two pack and spray painters
- Auto finishing and low bake ovens
- Caulkers and sealing applicators

Applications

DISCLAIMER:

Values: All values presented have been determined by standard test methods and are average values only.

Recommendations: Whilst we are happy to recommend products from our range for applications, it is imperative that the customer/user complete their own tests to determine suitability for their application under "working conditions" and if longevity is important, that ageing tests be carried out.

Warranty: We can only warranty our products to the level that they are consistent with our Product Information Sheet values

BUT CANNOT accept any responsibility or liability direct or consequential for loss or damage caused as a result of our recommendations.
